DETAILED ACTION

1. Claims 1-2, 8-12 are allowed over the prior art of the record.

Reasons for Allowance

2. The following is an Examiner's Statement of Reasons for Allowance: The primary reason for allowance of the claims is that prior art neither teach nor fairly suggest the particulars of the "cross spring element for rotatable bearing" as presented in the independent claim 1. Major emphasis is being placed upon the provision of "mutually crossing leaf spring" arranged "pair-wise" secured to "different bearing elements", in combination with other limitations of the said independent claim and its dependent ones.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure; however, none show above limitations.

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Max H. Noori whose telephone number is (571) 272-2185. The examiner can normally be reached on Tuesday-Friday from 8:00 AM to 6:00 PM.
